## Click IT Franchise is an “Essential, Pandemic-Proof Business”

### 1. A Proven Business Model in a Growing Market

With the most best-in-class IT products, solutions and services to sell, Click IT produces the highest sales and profits than any other franchise in the tech field (see <https://topitfranchises.com>). Focused on serving small businesses whose IT needs are underserved, the market demand for IT service providers is growing from \$180.5 billion in 2018 to \$282.0 billion by 2023; a 60% growth rate. (There are no material seasonal variations in the market.) Based on our experience in operating our store since 2012, Click IT's systems (our secret sauce) and approach to the marketplace positions Click IT with a competitive advantage. Click IT has a stellar reputation and now hundreds of steady customers served regularly by our company store in the quaint Village of Chagrin Falls, Ohio.

### 2. One Doesn't Have to Be a Geek to Own a Click IT Franchise

We've built "pick it and click it" websites that make it easy for our franchisees to serve their customers with their products, services and solutions. Franchise owners can easily establish their market presence in their chosen territory. A franchise owner leads their store's team in providing trustworthy local IT support and repair services, while up-selling vast choices in [platform-rich](#) products, services and solutions to their communities.

### 3. Guidance, Training and Support

Click IT is committed to the success of our franchise owners. We help our owners [select their territory](#) and manage their local web presence using proven search engine optimization techniques. Over 20 websites offer an array of products, services and solutions like none other, and our portals with the tools provided reduce the burden of seeking out customers so they more easily succeed. With 40 hours of classroom and on-the-job training, we walk owners through their first year, task by task, with a Business Implementation Plan, plotting a course to sustained growth. Click IT is pre-qualified by the [Franchise Registry](#) and the [SBA](#) to expedite the lending process (see [Funding Options](#)).

### 4. Competitive and Strategic Advantages

Our founder is a seasoned entrepreneur with a track record of building recurring-revenue businesses from the ground up. He is the creator of hundreds of innovative products, solutions, and services for both consumer and industrial markets over decades. Click IT has emerged from this experience, a concierge-like “local IT department” with [over 20 verticals](#) and a proven, low-investment-high-reward model.
